## **KW SIDEWINDERS REGISTRATION 2019/2020 SEASON**

Our first ice time back at RIM PARK, **PLEASE bring with you, your sledge and all your equipment to make sure that it is up to date and fits for the coming season. If you are in need of a new sledge & equipment or modifications please come 1 hour early for your ice time.**

If you have an e-mail address that you check regularly and would like to receive information via e-mail instead of in the mail or by phone, please include your e-mail address on the registration form. This will be used to contact you with tournament information, schedule changes, meetings and social/ party information.

Our website is being run by Jason Ryan this year. You can find registration form, pictures from tournaments of the players, team rosters, about each complex we play at and directions to away games. You can find the website at [www.kwsidewinders.com](http://www.kwsidewinders.com).

Please note that EVERYONE must complete a registration form BEFORE being permitted on the ice. *Except new players that can try out our sport for 2 weeks at no cost.*

Please note that the ice times will stay the same as last year. Practice with Intermediates/ Elites and Recreational will be on the ice from 1:00 - 3:50pm. This change was mandated by the City of Waterloo to improve ice conditions for those following us.

Our club relies on everyone to contribute their time in some way be it with fund raising, weekly bingo's, being a timekeeper, or organizing a party. Volunteering is an economical way of reducing registration costs while continuing to enjoy benefits not offered by other clubs. (i.e. parties, trips, and hotel rooms)

### **Note:**

If you have Club equipment such as sleds, sticks, equipment, etc. and are not using could you please return it to the Club. Call 519-274-2584 to make arrangements for its return or purchase. Return equipment can be utilized by other players or newly interested individuals. Our limited budget enables us to loan club equipment on a temporary basis. We will be contacting families if we do not hear from you. Your cooperation is much appreciated.
